To be retirement ready, it may take supplemental savings. That is why your employer offers the new SURS Deferred Compensation Plan (DCP). Your participation is voluntary.

Saving and investing in the DCP helps you create income to supplement your other SURS retirement plan's benefits. You save at a rate right for you, up to the IRS annual limits, making pre-tax or Roth contributions or both. You choose among the best-in-class DCP investment lineup, which includes an option that generates guaranteed lifetime income when you retire.
